Module for PrestaShop v.1.4 o highter

This module for PrestaShop allows you to add a static promotional image or banner in the home of your store, along with a link associated with it.

## Module installation

The screenshot shows the 'Module : Lista de modulos' page in PrestaShop. At the top right, there is a yellow plus icon with a green checkmark and the text 'Añadir nuevo módulo'. Below this, there is a light blue box with a title bar that says 'Añadir nuevo módulo'. Inside the box, the text reads 'El módulo debe ser un archivo zip o un archivo tar.' Below this, there is a label 'Archivo del módulo' next to an empty text input field. To the right of the input field is a button labeled 'Examinar...'. Below the input field, the text says 'Cargar el módulo desde su ordenador.' At the bottom of the box is a button labeled 'Subir este módulo'.

To install the module should be directed to the tab 'modules' of the back office of prestashop and select 'Add a module from my computer'. It opens a window where you select the ZIP file you downloaded to buy this product and once selected, click on the button 'Upload this module'.

The screenshot displays the Prestashop website interface. At the top, there is a navigation bar with currency (€), flags, and links for contact, sitemap, and bookmark. A search bar is also present. The user is logged in as Carlos Moyano. The main content area features the iPod Touch product page, which includes a large image of the device, a list of features (Multi-Touch interface, 3.5-inch display, Wi-Fi, 8mm thin), and a price reduction from 285,13 € to 213,85 € (25% off). The product is in stock (50 items). A red arrow points to the 'Add to cart' button. The left sidebar contains navigation menus for 'MY ACCOUNT', 'TAGS', 'CATEGORIES', 'VIEWED PRODUCTS', and 'MANUFACTURERS'. The right sidebar includes 'CART', 'TOP SELLERS', 'SPECIALS', and 'OUR STORES'. A prominent red banner at the bottom reads 'DEAL OF THE DAY! IPOD TOUCH FOR ONLY 213,85 € (25% OFF) 03:57:07' with a 'Buy' button.
